

Name: \_\_\_\_\_ Class: \_\_\_\_\_

## Science Start-of-Year Goals

**Directions:** Set SMART goals for science class. For the first step, choose a pre-written goal or write your own goal that is specific and measurable. Set your goal for the end of the first quarter.

**Choose one:** By the end of Quarter 1, on October 24<sup>th</sup>, 2025, I will...

Earn a total grade of at least \_\_\_\_\_% in Science class.

- ☐ Turn in at least \_\_\_\_\_% of science homework assignments on time.
- ☐ Score at least \_\_\_\_\_% on the end-of-unit test.
- ☐ Earn a positive comment about \_\_\_\_\_
- ☐ \_\_\_\_\_ (check with a teacher)

**Directions:** For the next step, write three specific **actions** that you can do to help you achieve the goal you wrote. You can choose a recurring action, such as reviewing notes every evening.

To accomplish this goal, I will ...

- A.) \_\_\_\_\_
- B.) \_\_\_\_\_
- C.) \_\_\_\_\_

**Directions:** In the last section, explain why your goal is relevant by describing why you set it and how you think success in science class can benefit you in the future.

I want to accomplish this goal because...
